

# MARKET ADVANTAGE

## THE LANDUS GROW MARKET ADVANTAGE

is a one-on-one grain marketing consulting service offered to farmers interested in elevating their grain marketing.

### THROUGH A SERIES OF ONE-ON-ONE SESSIONS, PARTICIPANTS CAN EXPECT:

- Development of a personalized marketing plan focused on risk management
- Regular communication regarding reports, market trends, and daily market commentary
- Customized sales recommendations
- Access to a variety of marketing tools and assistance making a diverse marketing portfolio
- Detailed reporting for all sales

Most importantly, you will have direct access to a trusted expert working in an unbiased manner. This advisor works for you, the farmer, to help streamline, elevate, and grow your grain marketing strategy. This program will be tailored to fit your needs and comfort level.

*Subscription fee variable based on total number of acres enrolled in the program.*
