

2024 Dave Fevold Memorial Scholarship

Landus

Dave Fevold Memorial Scholarship Overview

Dave Fevold was born and raised on a farm in Iowa and was a farm boy his whole life. He grew up helping on the family farm with tilling, combining, planting, and raising and showing livestock. He continued to do that in to his adult years, then enjoyed watching his boys get involved with agriculture as well.

Dave spent the last 11 years of his life working as a Custom Applicator at Landus. He had a great passion for agriculture, custom application, and operating equipment. He always made sure growers got what they needed in a timely manner and constantly looked for ways to increase efficiency for our farmer-owners. Dave fought a courageous battle against cancer.

To honor Dave's life, work, and dedication, Landus will be awarding four (4), one-year scholarships in the amount of \$1,000. Recipients must be entering or currently enrolled in an agriculture program at the accredited post-secondary institution of their choice, with plans to pursue a career in agriculture, with an preferred interest in Custom Application. Along with the scholarship, there will be an optional internship at Landus with the opportunity to develop Custom Applicator skills and other operational knowledge.

We sincerely hope you apply for the Landus Dave Fevold Memorial Scholarship and wish you success in achieving your academic goals.
